Notice of Motion No 116

Notice of Motion – Addressing Graffiti in Knox

I hereby give notice that it is my intention to move at the Ordinary Meeting of Council on 24 May 2021 the following motion.

That Council receive a written report and briefing within the next 3 months that:

1. Outlines Knox City Council's current policy and processes for addressing community complaints regarding graffiti across the municipality (private & public land).
2. Provides details of the number of customer service complaints (all sources) received regarding graffiti and how many of the complaints cases are closed as resolved.
3. Provides detail of the Council funded graffiti clean-up – quantum of square metres and cost - over the last 5 years.
4. Benchmarks Knox City Council's policy and processes against other similar councils and identifies any best practices Knox City Council can learn from.
5. Provides recommendations as to policy and / or process improvements that can improve resident satisfaction in Council's management of graffiti.
