5. Committee Governance

5.1 Membership

The Committee will consist of a majority of members who are not Councillors, comprising five members appointed by Council as follows:

- Three (3) Independent Members; and
- Two (2) Councillors.

Council employees are not able to be members of the Committee.

Where the Mayor is not otherwise appointed to the Committee, they will serve as an ex-officio member of the Committee with no voting entitlement.

Any Councillor, not appointed to the Committee, may attend a Committee meeting as an observer only and will have no opportunity to participate in the debate and no voting entitlement.

5.2 Independent Members

Independent members will be appointed for three year terms.

At the conclusion of their first term, independent members may be reappointed for one additional three-year term subject to satisfactory performance, to a maximum of six years' service in total.

Independent member's terms of appointment should be arranged so that there is an orderly rotation of membership and avoidance of more than one independent member retiring at the same time in order to provide continuity and minimise the loss of knowledge.

Where an independent member has not been in attendance for two consecutive meetings, without submitting an apology or having been granted a leave of absence, a casual vacancy will be created and their membership revoked.

In the event of an independent member resigning or retiring before the expiry of their term, the vacancy may be filled, at the discretion of the Council, for remainder of the resigning member's term.

Independent members must collectively have expertise in financial management and reporting and risk management and also experience in public sector management.

New independent members' vacancies will be publicly advertised in appropriate places such as statewide and local newspapers, Council's website, Australian Institute of Company Directors, Governance Institute of Australia and other appropriate channels.

A 'Recruitment and Selection Panel', comprising the Chief Executive Officer, Mayor, Councillors and the Chairperson, will be established to recommend the preferred appointment to Council for consideration.

The Recruitment and Selection Panel shall assess applications for membership against appropriate criteria. The criteria shall fall within the areas of:

- level and breadth of senior business, management, finance and accounting and/or audit experience and qualifications;
- level of familiarity with Government operations, including financial reporting, auditing requirements, risk management, business ethics and corporate governance; and
- previous Audit and/or Risk Committee experience.

Independent members should have the ability to provide Councillors, the Chief Executive Officer and Management with well-rounded and professional advice concerning the adequacy of Council's administrative, operational, financial and accounting systems and controls, performance reporting regimes, and risk management processes.

Remuneration will be paid to independent members as approved by Council from time to time, with annual increases limited to increases in the Consumer Price Index (CPI All Group Melbourne) adjusted annually on July 1.

Independent members have professional indemnity insurance coverage under Council's Liability Mutual Insurance (LMI) policy when acting in that capacity and within the scope of their duties for and on behalf of Council, subject to the policy terms and conditions.

5.3 Councillor Members

Councillor members will be appointed to the Committee by Council annually in November.

Should an appointed Councillor member not be able to attend a Committee meeting, Council can appoint an alternate member to act in such circumstances, either on a meeting by meeting basis or for the remainder of their term.

5.4 Committee Member Regulatory Obligations

Committee members must be fully aware of their obligations and responsibilities under section 53 of the Act. These obligations relate to misuse of position as a member of the Committee (section 123), confidential information (section 125) and conflict of interest (sections 126 to 131).

5.5 Chairperson

The Chairperson of the Committee must be an independent member.

The Committee will appoint the Chairperson of the Committee.

If the Chairperson is unable to attend a meeting, the members in attendance at the meeting will appoint a temporary Chairperson for that meeting from among the attending members.

5.6 Meetings

The Committee will meet at least quarterly, with the authority to convene additional meetings, as and when required.

A schedule of meetings will be developed annually and adopted by the Committee.

A quorum shall comprise at least one Councillor member and two independent members.

All Committee members are requested to attend each meeting in person, although members can attend through electronic means and will be included as part of the quorum.

Committee meetings are not open to the public and all meeting agendas, minutes and proceedings are deemed confidential.

Matters before the committee may, at the discretion of the Chairperson, be resolved by consensus rather than vote. Where a vote is required or conducted all members will have one vote. The Chairperson shall have a casting vote on the occasion where there is an equal tally of votes on a matter.

Where a matter is required to be dealt with by the Committee between meetings, it may be undertaken by circulating a resolution. A report outlining the matter and a request to vote on the item will be sent by Council's management via email, with the outcome endorsed and minuted at the next Committee meeting.

The Chief Executive Officer, Director Customer and Performance, Manager Governance & Risk, and Chief Financial Officer (or their nominated representatives) will attend all meetings.

The Committee will invite other members of Council's Management team, the internal and external auditors and other staff as appropriate to attend meetings.

The Committee and External and Internal Auditors will meet without Management at least once per annum to discuss issues of relevant interest.

Committee members and the internal auditor and external auditor can request the Chairperson to convene additional meetings if they feel that is justified to address unexpected matters that may have arisen.

Meeting agendas and appropriate briefing materials will be provided to members at least one week before each meeting.

Minutes will be taken at each meeting, documenting attendance, formal decisions and actions arising.

Minutes will be circulated to the Chairperson for approval within one week of the meeting occurring and also presented for formal endorsement at the next meeting of the Committee.

The Chairperson will sign the minutes following the confirmation of the minutes at a subsequent meeting.

The Manager Governance & Risk will ensure administrative support is provided to the Committee.

5.7 Disclosures to Committee

The Committee will ascertain at each meeting whether the work of the Internal Auditor has been obstructed in any way. Where the Internal Auditor's response is that the work has been obstructed, the Chairperson will ascertain from the Chief Executive Officer what action will be taken to remedy the issue. Where it is alleged that the Chief Executive Officer has obstructed the Internal Auditor's work, the Chairperson will consult with the Mayor to ascertain what resolution can be reached.

If it is considered that the obstruction is substantiated, and is of an ongoing nature that creates a risk to effective internal audit practices, the Chairperson will consult with the Chief Executive Officer and the Mayor to seek a resolution.

Where the matter cannot be resolved through this process the matter will be referred to Council for appropriate attention.

In order to ascertain whether there are any issues that the Committee should be aware of, the Chief Executive Officer or their representative attending each meeting should be questioned as to whether there are any breaches of legislation or practices that should be brought to the Committee's attention.

Where issues are disclosed and substantiated, the Committee members will seek from the Chief Executive Officer an explanation as to what appropriate actions are to be taken to remedy same.

Where the Chief Executive Officer is alleged to have caused the breach of legislation or practices and a satisfactory resolution is not arrived at, the Chairperson will consult with the Mayor and the Chief Executive Officer in an attempt to resolve the issue.

Where no satisfactory resolution can be reached through this process, the matter will be referred to Council for appropriate attention.

5.8 Planning and Reporting

The Committee will prepare a bi-annual report to Council through the Chief Executive Officer on the Committee's activities, findings, recommendations and functions.

The Chairperson will be invited to address Council at least once per annum on the activities and performance of the Committee.

The second of these reports will be presented to Council after the meeting at which the annual financial report and the annual performance statement have been considered and recommended to Council for adoption, such report indicating how the Committee has discharged its responsibilities as set out in this Charter for the previous year.

5.9 Performance Evaluation

The Committee shall undertake a process to evaluate its performance at least annually each year and report the outcomes of the evaluation process to Council through the Chief Executive Officer or the Committee's bi-annual report, including recommendations for any opportunities for improvement.

The evaluation will include feedback from both Committee members and Management who have regular interactions with the Committee.

5.10 Review of Charter

The Committee shall review and assess the adequacy of this Charter every two years or earlier if necessary and submit requests to Council through the Chief Executive Officer for revisions and improvements for approval.

5.11 Administrative Updates

From time to time, circumstances may change leading to the need for non-material changes to this policy. Where an update does not materially alter this policy, such a change may be made administratively by the Chief Executive Officer. Examples of minor administrative changes include grammatical corrections, changes to names of Council departments or positions, change to names of Federal or State Government departments or a minor legislative amendment that does not have material impact on the Charter.

Administrative changes should be reported to the next Audit Committee and notified to Councillors.

Where any change or update may materially change the intent of this policy, it must be considered by the Committee and Council.
