Glossary

AFFL - Above Finished Floor Level.

CLC - Community Learning Centre.

RCC - Rowville Community Centre.

TGSI - Tactile Ground Surface Indicators. A tactile ground surface to assist pedestrians who are visually impaired. Often found on footpaths, stairs and train station platforms.

Guidelines

Thank you for choosing to use an Access Key for Community Learning Centre.

For your Access Key to be successful, we recommend you follow these guidelines.

Access Keys are available online to help you prepare for your visit in advance.

Access Keys be read and shared in an environment free of distractions.

Access Keys can be read independently or shared with a friend, family member, carer or support worker to prepare for the visit.

If sharing the Access Key with a participant, help the participant comprehend key points, consistently monitoring for level of understanding.

If sharing the Access Key with a participant, contextualised photographs can be used to summarise information and experiences.

If using the Access Key as a reflective tool, make sure to enjoy the pivotal link between experience and recall after the visit has taken place.

Once the visit has taken place, revisit the Access Key to celebrate success.

Download Access Key in its entirety 28 pages in total.

Did You Know?

CLC is proudly supported by Knox City Council.
