

Knox Community Transport Outings Program

Knox Council's Community Transport team has planned a number of outings to enable Knox residents who are 65 years and over or have a disability to remain active, to participate in community life and to develop friendships.

This program is primarily for residents who have limited opportunities to participate in social activities.

Destinations include interesting and historical locations, gardens, events, tours, exhibitions and culinary experiences.

Our friendly drivers will pick you up and return you to the designated meeting points.

Places are limited and priority access will apply to ensure that we have as many participants as possible.

For more information about this program or to register your interest, please call our team on 9298 8518.

September to December

Noticeboard: In response to COVID-19 and public safety we present to you a revised Outings program of 3 – 4 hour durations with less travel time and less passengers but more often.

There are 2 categories of Outing. One for relaxing, socializing and a morning tea stop only, called **Social Sorties** (minimal walking). The second for the more active and able participants, called **Activeons** which are BYO only. You can enjoy both if you wish.

Routine pick up locations, times and Priority of Access seat allocation will continue.

For the safety of all, before entry you will be required to answer COVID-19 questions, sanitize, wear a mask and socially distance.

**If for any reason an outing is cancelled, we will call you or leave a message.*

- The cost of the bus is \$8.70 per person. This will be billed to you after your travel.
- If you are unable to attend an outing, we require a minimum of 24 hours' notice, otherwise you will be charged for the trip.
