5.2 Claiming the Kindergarten Fee Subsidy (KFS)

Council kindergartens claim the kindergarten fee subsidy on behalf of families. In order to do this, as part of the service registration process, parents are required to upload a copy of their/their child's current valid concession card/visa to the <u>KEYS ONLINE portal</u>.

Please also note the following:

- If the eligible concession card expires during the year, a member of the kindergarten team will contact the family requesting a valid concession card/visa details be provided.
 - Parents will be asked to email a scanned copy of their new eligible concession card/visa to kindergarten services via <u>kindergarten@knox.vic.gov.au</u>.
- If the eligible concession card/visa has expired, is not reissued, and/or a copy is not provided to council upon request, families will be required to pay full kindergarten fees.

Please contact the kindergarten team via email <u>kindergarten@knox.vic.gov.au</u> or call 9298 8000 should you have further questions regarding your KFS eligibility.

5.3 Kindergarten Fee Subsidy Payments

KFS is paid for the kindergarten term in which an eligible child is enrolled, regardless of whether:

- Enrolment commenced after the start of term;
- The child becomes eligible after the start of the term; and/or
- The relevant card or visa expires during the term.

5.4 Children of Aboriginal and/or Torres Strait Islander Descent

Children of Aboriginal and/or Torres Strait Islander descent are eligible for free kindergarten through the Kindergarten Fee Subsidy.

Families will be requested to contact the kindergarten team if their child is eligible.

5.5 Sibling/Multiple Birth Fees

- When a family has two children attending in the same year, the family is entitled to a 10% discount on the second (and any subsequent) child's fees.
 - For the purposes of calculating the sibling discount, the eldest child is taken to be the first child.
- Families who have triplets or quadruplets are entitled to receive a State Government Funded Kindergarten Fee Subsidy which will enable the children to attend kindergarten at no cost (or minimal cost). This subsidy is provided to offset the financial burden faced by families that have three or more four-year-old children attending kindergarten.
