

Move Your Way!

It's time to get creative and show us your favourite way to move!

Winning artwork will be used to promote our new Move Your Way program and be displayed across Knox! This could be playing frisbee down at your local oval, doing tricks on your scooter at the skate park or walking with friends through the park.

Artwork Criteria:

- Must be hand drawn or digitally drawn
- Must be high resolution, clearly visible and easy to see from a distance
- Must be portrait and fit within the template outline below
- Must clearly show **one** way of moving
- *Hint: make sure your way of moving is the main focus of the picture, don't focus too much on the background*
