Dear neighbor

We recently had a cat with the following description wander onto our property, and we wish to notify its cat owner of this.

Cat description:

If this cat belongs to you, it would be appreciated if you keep your cat contained to your property, and not allow it to wander or trespass on surrounding properties.

Under the Domestic Animals Act 1994, cats are not allowed to enter private property without permission. In addition, Knox Council is introducing a 24 cat curfew from 10 April 2022, requiring cat owners to contain their cat on their property at all times.

Your co-operation in resolving this matter will be appreciated. We would like to avoid trapping the wandering / trespassing cat and handing it over to Council to address our concern.

Thank you,
Your neighbour
