

Knox Community Transport Outings Program

Knox Council's Community Transport team has planned a number of outings to enable Knox residents who are 65 years and over or have a disability to remain active, to participate in community life and to develop friendships.

This program is primarily for residents who have limited opportunities to participate in social activities.

Destinations include interesting and historical locations, gardens, events, tours, exhibitions and culinary experiences.

Our friendly drivers will pick you up and return you to the designated meeting points.

Places are limited and priority access will apply to ensure that we have as many participants as possible.

For more information about this program or to register your interest, please call our team on 9298 8518.
