

23 October 2023

Notice of Motion No.138

Council Involvement in the Australian Local Government Association National General Assembly

I hereby give notice that it is my intention to move the following motion at the Council Meeting on 23 October 2023:

That in relation to the annual Australian Government Local Government Association (ALGA) National General Assembly (NGA), Council resolve:

- 1) To amend the Councillor Expenses and Support Policy to provide that attendance at the ALGA NGA is not considered reasonably necessary for a Councillor or member of a delegated committee to perform their role, and that consequently expenses associated with attendance will not be reimbursed in the absence of a prior resolution of Council to the contrary.
- 2) That Council should not be represented by staff members at the ALGA NGA.

Cr Darren Pearce
Taylor Ward
