Notice of Motion No. 188

Knox News

I give notice that at the next meeting of council I shall move:

That Council resolve:

1. That a report be provided to the Council meeting on 24 November 2025 (unless deferred to a later meeting in consultation with the Mayor) that explores cessation of the publication Knox News, including:
 - a. Detail of the funds that would be saved; and
 - b. How some of those funds saved could be redirected to utilising the four local community newspapers for Council and councillor information
2. To refer the content of this report to a subsequent budget discussion.
