matter to them.

This approach is designed to support and enhance the ongoing engagement activities undertaken by Council officers in collaboration with Councillors throughout the year, consistent with Council's Community Engagement Policy.

Councillor Listening Posts will not be held in the six months before, or during a Council election period.

An annual budget provision will be made for the reasonable costs associated with holding Councillor Listening Posts as follows:

- \$4,000 per calendar year for up to four multi-Councillor Listening Posts; and
- \$500 per calendar year per Councillor for expenses related to single Councillor Listening Posts.

#### **4.14.1 Format and Delivery**

Councillor Listening Posts provide a platform for Councillors to engage directly with the community on local and municipal issues, supporting open dialogue, transparency, and strategic conversations. Councillors take the lead in shaping and delivering each session, including the agenda, content, and overall format, which may be tailored to the purpose of the engagement, the audience, and the issues to be discussed.

Sessions may be informal drop-in style meetings in accessible public spaces or more structured forums incorporating presentations, round table discussions, question and answer form or small-group discussions. They may be ward-based, thematic, or project-focused, and can involve one or multiple Councillors. Multi-Councillor sessions are encouraged, with up to four permitted each year; additional sessions require Council approval. Locations may rotate across the municipality to ensure equitable access, and all sessions are branded as Council-led to maintain consistent messaging.

#### **4.14.2 Initiating Councillor Listening Posts**

Where practicable, a minimum of eight weeks' notice is required to support effective planning and communication for multi-Councillor Listening Posts.

Councillors must inform the Mayor and Chief Executive Officer of the proposed forum at the earliest opportunity to ensure alignment with this Policy and operational support.

#### **4.14.3 Resources**

Multi-Councillor Listening Posts may be held at the Civic Centre, or at a central and convenient location within the municipality as selected by the Councillor/s.

Refreshments may be provided and will be limited to tea, coffee and biscuits (and subject to the budgetary limits specified in this section).

Councillors may be provided with marketing tools to support either individual or multi-Councillor

Listening Posts such as signage. (Availability of marketing tools will be dependent on notice and production lead times).

#### **4.14.4 Staff Attendance**

Council is committed to providing timely and expert operational and technical support to Councillors during multi-Councillor Listening Posts. Councillors may request the attendance of specific Council officers to assist with questions and provide expert advice. Council officers may participate in a supportive role, enabling Councillors to lead the engagement while ensuring accurate and timely information is available.

The Chief Executive Officer oversees the coordination of officer attendance and roles, considering relevance, availability, and organisational priorities. To ensure efficient use of resources, staff supporting these forums will generally attend for up to two hours.

#### **4.14.5 Advertising**

Advertising will be conducted via Council's website, Knox News (where practicable) and Council's social media channels. Additional advertising may be considered in accordance with section 4.15 of this Policy.

### **4.15 Other Expenditure Not Specified**

Where any expense sought to be paid for, or reimbursed to, a Councillor is not covered by this Policy or exceeds the budgetary limits in section 4.4.2 the following process shall apply:

- The Councillor shall make application prior to incurring any expense.
- For expenses \$300 or less and generally within the terms of section 75 of the Act and in compliance with this Policy:
  - The Chief Executive Officer shall confer on the matter with the Mayor (or in the case of Mayoral expenses, the Deputy Mayor).
  - The Chief Executive Officer may then determine the matter and inform the Councillor, providing reasons for their decision.
- For expenses greater than \$300 the matter will be referred to Council for consideration and determination.

Where there is any uncertainty or disagreement as to an entitlement; or where there is any failure to comply with this Policy, the following process shall apply:

1. The Chief Executive Officer shall confer on the matter with the Mayor (or in the case of Mayoral expenses, the Deputy Mayor).
2. The Chief Executive Officer may then determine the matter, or a proposed course of action to resolve the disagreement / uncertainty or the non-compliance, and inform the Councillor, providing reasons for their decision.
3. If the matter remains unresolved it will be referred to Council for consideration.

If the Chief Executive Officer and Mayor have been party to the decision which is the subject of the uncertainty / disagreement:

1. The Chief Executive Officer shall refer the matter to the Director Customer and Performance for independent review.
2. The Director Customer and Performance shall confer with the Manager Governance and Risk and determine the matter, or agree a proposed course of action to resolve the disagreement / uncertainty or the non-compliance.
3. The Director Customer and Performance will inform the affected Councillor of the proposed course of action to resolve the disagreement / uncertainty or the non-compliance.
4. If the matter remains unresolved it will be referred to Council for consideration.

## **4.16 Claims and records**

### **4.16.1 Form of claims**

All claims must be made on the form provided and be complete as to all specified detail.

Councillors and delegated committee members may also be periodically requested to certify details of expenses incurred on their behalf.

The following substantiation rules apply to all expense claims.

- A claim for reimbursement must be supported by written evidence, being a receipt, tax invoice or similar document that sets out the relevant particulars. This means a document from the supplier of the goods or services the expense is for, setting out:
  - the name or business name of the supplier; and
  - the amount of the expense, expressed in the currency in which it was incurred; and detailing any GST paid, and
  - the nature of the goods or services; and

- Where this documentation is not available a statutory declaration must be submitted to support the claim.

Incomplete claims or claims which are outside this Policy will be initially referred to the claimant Councillor for further advice.

Claims which are not in accordance with this Policy will be considered under section 4.15.

### **4.16.2 Timeframe for submission of claims**

Councillors and delegated committee members are required to submit claims in a timely manner to ensure transparency and timely accountability.

Claims for reimbursement of expenses in the September, December and March quarters must be submitted by the close of business of the following month.

Claims for reimbursement of expenses in the June quarter must be submitted within 7 working days of the end of financial year.

Claims for reimbursement which are not in accordance with the above timeframes will not be

processed unless Council resolves to accept the claim.

#### **4.16.3 Assessment of claims**

The Chief Executive Officer will oversee the processing of all claims by the Governance Department.

Where a claim appears incomplete or outside this Policy it will be initially referred to the claimant Councillor for further discussion. Unresolved issues will be managed in accordance with Section 4.15.

### **4.17 Accountability**

Council is committed to accountability and transparency for reimbursement of expenses and the provision of resources and facilities to Councillors. This Policy will be posted on Council's website.

Quarterly reports of all councillor and delegated committee member expenses will be provided to council, and the council's Audit and Risk Committee.

The report will include:

- expenses incurred on behalf of councillors and delegated committee members during the quarter;
- reimbursement claims made by councillors and delegated committee members during the quarter; and

## Appendix 2 – Assessing Community and Council Benefit Criteria

The following criteria, questions and examples can assist to determine how an expense provides Community and or Council benefit.
