Bin placement

Help us collect your bins safely by placing them on the street as follows:

Ensure bins are at least 50cm apart with wheels and handles facing away from the kerb.

Allow a minimum of 1m clearance from parked cars, trees, light poles or any other obstructions.

Ensure bin lids are fully closed.

- Put your bin out the night before or by 6am on your collection day
- Return your bin to your property within 24 hours

What goes in my bin?

See our A-Z guide for more information. Visit knox.vic.gov.au/WasteGuide or scan the code.

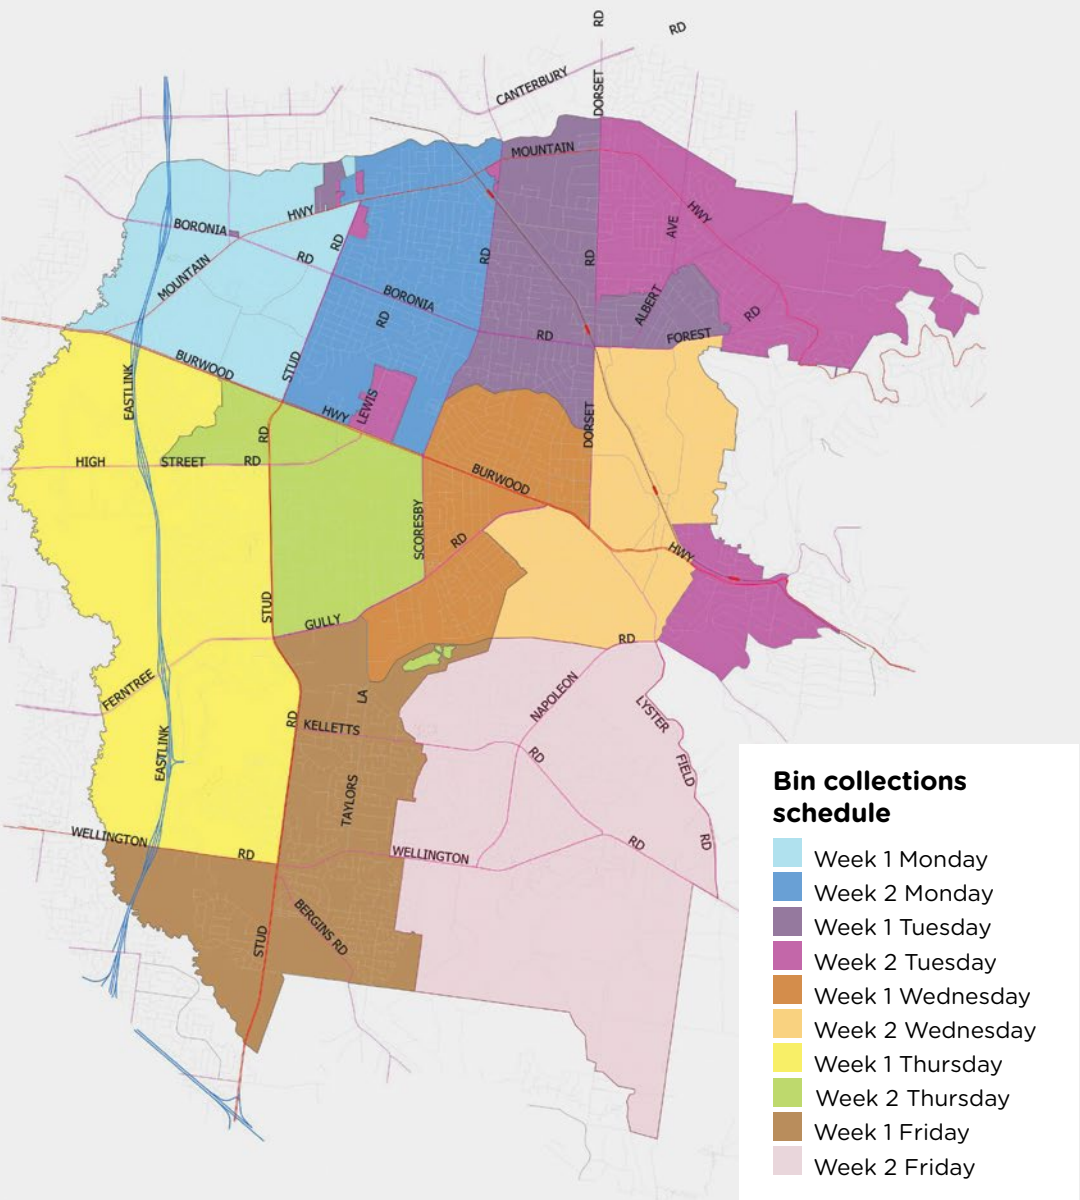

Hard rubbish

Eligible households are entitled to two collections each financial year. Book online at knox.vic.gov.au/HardRubbish or scan the code.

Bin collection map and calendar

- 1. Find your street on the map. Note the colour assigned to your area.
- 2. Refer to the bin collection schedule. e.g. *My house is on Taylors Lane so, I need to use the week 1 calendar and my bins will be collected on Fridays.*
- 3. Use the week 1 or week 2 calendar as needed.
