Guidelines

Thank you for choosing to use an Access Key for Knox Fest. This customised accessibility guide provides convenient information about accessing this event. Access Keys are universally designed and suitable for all people, regardless of ability.

For your Access Key to be successful, we recommend you follow these guidelines.

- Access Keys are available online to help you prepare for your visit in advance.
- Access Keys to be read and shared in an environment free of distractions.
- Access Keys can be read independently or shared with a friend, family member, carer or support worker to prepare for the visit.
- If sharing the Access Key with participant, help the participant comprehend key points, consistently monitoring for level of understanding.
- If sharing the Access Key with participant, contextualised photographs can be used to summarise information and experiences.
- If using the Access Key as a reflective tool, make sure to enjoy the pivotal link between experience and recall after the visit has taken place.
- Once the visit has taken place, revisit the Access Key to celebrate success.
- Accessibility features located on page [6](#).
- Safety information is located on page [19](#).

Knox City Council hereby acknowledges the support and assistance provided by [Access Ability Australia](#) in helping to prepare the Knox Festival Access Key.

We express our sincere appreciation to Access Ability Australia for their pivotal role in assisting us to highlight its commitment to accessibility and inclusion through this comprehensive guide. Their expertise and support have played a vital role in ensuring that Knox Festival is welcoming to all individuals in our community.
