Bayswater

Stage	Project name	Project description	Suburb	Project budget
Construct	Sasses Avenue Reconstruction, Bayswater	Boronia Road to Kings College Parade North.	Bayswater	\$950,000
Design	Marlborough Road Reconstruction, Bayswater	Albert Street (excluding Vincent St Intersection) to 22 Marlborough Road.	Bayswater	\$40,000
Design	Jersey Road Reconstruction, Bayswater (Malvern Street to 38 Jersey Road)	Malvern Street to 38 Jersey Road.	Bayswater	\$40,000
Design	Jersey Road Reconstruction, Bayswater (Mountain Highway to 58 Jersey Road)	Mountain Highway to 58 Jersey Road.	Bayswater	\$45,000
Construct	Bayswater Bowls Club (Green 2), Bayswater - Bowling Green Renewal	Renewal of the synthetic turf bowling green surface. Bayswater Bowls Club is contributing \$104,160 towards the anticipated cost of the project.	Bayswater	\$300,000

Stage	Project name	Project description	Suburb	Project budget
Construct	Marie Wallace Bayswater Park, Bayswater - Playground Renewal	Renewal of the existing wooden fort playground ("The Jungle") at Marie Wallace Bayswater Park to meet current safety and accessibility standards. The project will deliver a new play fort that provides engaging play opportunities for children of all ages and abilities. Scope of works includes: • Removal of the existing fort structure. • Construction of a new accessible play fort with integrated ramps. • Inclusion of sensory and imaginative play elements at ground level. • Surfacing, footings, and minor path connections. • Retention of suitable existing play elements where appropriate.	Bayswater	\$900,000
Construct	Yarran Reserve, Bayswater - Playground Renewal	Replacement of the medium combination unit with a dibbler combination unit.	Bayswater	\$32,670
Design	Katandra Reserve, Bayswater - Playground Renewal	Relocation of the playground further away from Boronia Road to improve safety for families. Additional works include: • Seating and picnic tables. • Additional planting and landscaping in lieu of fencing.	Bayswater	\$6,050

Stage	Project name	Project description	Suburb	Project budget
Construct	Knox Community Arts Centre, Bayswater - Hearing Loop Installation	Installation of a hearing loop system at the Knox Community Arts Centre (KCAC) to improve accessibility for patrons with hearing impairments to meet current Australian Standards (AS 60118.4).	Bayswater	\$20,000
Construct	Knox Community Arts Centre, Bayswater - Grand MA (Lighting Console) Replacement	Replacement of the MA2 lighting console at the Knox Community Arts Centre (KCAC), which is reaching end of life and is no longer supported by the manufacturer. The existing console is critical to venue operations but is now obsolete, with replacement parts unavailable and limited servicing options, posing significant operational and service continuity risks.	Bayswater	\$22,000
Design	Highmoor Avenue, Bayswater - New Footpath	Construction of a new footpath on the eastern side of Highmoor Avenue, from 4 Highmoor Avenue to Myrtle Street.	Bayswater	\$15,000

Boronia

Stage	Project name	Project description	Suburb	Project budget
Construct	Miller Park Reserve, Boronia - Tennis Court Renewal (Courts 4-6)	Renewal of courts 4, 5 and 6. Works to include court surface (hard court), fencing, nets and lights.	Boronia	\$1,225,000
Design	Miller Park, Boronia - Floodlighting Renewal	Renewal of sportsfield lighting to meet the 100 LUX requirement for training and matches. Requirements set by Australian Standards and the sports' respective State or National Governing Body.	Boronia	\$24,156
Construct	Alchester Court, Boronia - Playground Renewal	Replacement of an embankment slide.	Boronia	\$41,503
Construct	Colchester Reserve, Boronia - New Perimeter Fencing (Southern and Eastern Boundaries)	Installation of black powder coated chain mesh fencing to match in with the existing style along the northern and western boundaries.	Boronia	\$70,000
Construct	Lupton Way, Boronia - New Public Art	Installation of public art lighting to enhance Lupton Way aesthetic and provide better night time function and safety. The project is associated with the Boronia Precinct Planning and the Boronia Station Upgrade.	Boronia	\$242,000
Design	Knox Community Gardens, Boronia - Shed Replacement (including Stormwater and Path Works)	Installation of a storage shed to replace the temporary shipping container currently used for storage at Knox Community Gardens. Associated stormwater and path works are also included in the scope.	Boronia	\$5,500

Stage	Project name	Project description	Suburb	Project budget
Design	Forest Road, Boronia - New Footpath (between Nyora Avenue and Harrison Street)	Construction of a new footpath on Forest Road, between Nyora Avenue and Harrison Street.	Boronia	\$30,000
Scope	Mountain Highway, Boronia - New Footpath (between Weyburn Road and Baldwin Avenue)	Construction of a new footpath on the southern side of Mountain Highway between Weyburn Road and Baldwin Avenue. Currently, to replace the existing granitic path which is in a poor condition (pooling water and a slip hazard). Sustainable material will be explored for this footpath to minimise impact on vegetation.	Boronia	\$20,000
Scope	455 Dorset Road to Mountain Highway, Boronia - New Footpath	Construction of a new footpath on the western side of Dorset Road, from 455 to Mountain Highway. This area is very steep, with a need to change the crossover and include a retaining wall.	Boronia	\$10,000
Scope	387-389 Dorset Road, Boronia - New Footpath	Construction of a new footpath to close the missing section between 387 and 389 Dorset Road.	Boronia	\$10,000
Design	Parker Avenue, Boronia - New Footpath	Construction of a new footpath on Parker Avenue, between Hastings Avenue and the western side of Parker Avenue.	Boronia	\$15,000
Construct	Albert Avenue, Boronia - New 40km p/h LED Flashing Lights	Replace the four existing static school time speed-limit signs with four new dynamic electronic speed limit signs (ESLS). This signage will be solar-powered.	Boronia	\$115,200

Stage	Project name	Project description	Suburb	Project budget
Scope	Tormore Road & Penrith Street - Intersection, Boronia - Raised Pavement	Installation of a raised pavement treatment to reduce motorist speed.	Boronia	\$10,000
Construct	Koolunga Native Reserve, Boronia - Revegetation	Revegetation of area near the existing pathway. This action item is from the Future Directions Plan for the site.	Boronia	\$21,960
Construct	Green Spine Corridor, Boronia - Landscaping (Stage 3)	Design and implementation of the landscaping stage (Stage 3) of the Green Spine Corridor project, along Chandler Road and Genista Avenue. Elements proposed within this stage include: • New vegetation, plantings and landscaping • New park furniture • New wayfinding signage • New public art • Pocket Park concrete works	Boronia	\$623,750
Design	Herbert Street, Boronia - Flood Mitigation Works	Works to mitigate the impacts of flooding within the vicinity of Herbert Street.	Boronia	\$8,500

Stage	Project name	Project description	Suburb	Project budget
Design	Boronia Retarding Basin, Boronia - Upgrade & Renewal	This feasibility, scoping and design work will seek to mitigate the impacts of flooding within the vicinity to an appropriate level. This stage includes: • Identifying constraints via feature survey, service proving, geo-tech, tree protection zones. • Exploring the practicalities of high-level mitigation options explored through flood mapping. • Undertaking a cost-benefit analysis for each option/stage. • Design of a multi-benefit outcome where the retarding basin provides flood storage, a wetland floor treats stormwater and the overall asset is integrated (and enhances) the future park precinct.	Boronia	\$39,500

Ferntree Gully

Stage	Project name	Project description	Suburb	Project budget
Design	Forest Road Pedestrian Overpass, Ferntree Gully - Renewal	Renewal of bridge structure. Funding in 2026/27 is to complete the design stage, which is subject to findings during the feasibility stage.	Ferntree Gully	\$70,000
Design	Hancock Drive Bridge, Ferntree Gully - Renewal	Renewal of bridge structure. Funding in 2026/27 is to complete the design stage, which is subject to findings during the feasibility stage.	Ferntree Gully	\$50,000
Construct	Shannon Avenue Reconstruction, Ferntree Gully	Francis Crescent to Renown Street. These works present an opportunity to renew stormwater assets in the vicinity, which will be included within the project scope.	Ferntree Gully	\$385,000
Design	Monterey Estate, Ferntree Gully - WSUD Renewal	Renewal of Monterey Estate WSUD, to improve safety and function, renew asset condition, remove accumulated sediment and weeds, improve hydraulic function, maintainability and amenity.	Ferntree Gully	\$5,000
Design	Dobson Park (Oval 1), Ferntree Gully - Floodlighting Renewal	Renewal of sportsfield lighting to meet the 100 LUX requirement for training and matches. Requirements set by Australian Standards and the sports' respective State or National Governing Body.	Ferntree Gully	\$24,156

Stage	Project name	Project description	Suburb	Project budget
Construct	Nathan Street Reserve, Ferntree Gully - Playground Renewal	Renewal of the playground equipment. Additional works include: • Additional seating opportunities. • Shared path upgrade. • Additional planting to increase canopy. • Landscaping. • Reconstruction of the existing footpath.	Ferntree Gully	\$173,697
Construct	Ferntree Gully Community Arts Centre, Ferntree Gully - Pottery Room Extension	Extension of the existing Pottery Room at the Ferntree Gully Community Arts Centre (FTGCAC) to accommodate additional students.	Ferntree Gully	\$353,138
Construct	Knox Regional Netball Centre, Ferntree Gully - Outdoor Netball Posts Upgrade	Replace all 18 sets of outdoor netball posts at Knox Regional Netball Centre (KRNC). Works to include installation of compatible sleeves that are compliant with Netball Victoria specifications.	Ferntree Gully	\$58,500
Construct	Knox Regional Netball Centre, Ferntree Gully - Air Handling Improvements	Provide air handling solutions to the original two indoor courts (now named Courts 3 and 4) of the Knox Regional Netball Centre (KRNC). Works include the installation of evaporative cooling and associated electrical upgrades.	Ferntree Gully	\$433,828
Design	H.V. Jones Reserve Community Room, Ferntree Gully - Bathroom Upgrade & New Accessible Toilet	Installation of a new accessible toilet to improve accessibility within the building. Construction will be subject to external funding (i.e. grants).	Ferntree Gully	\$27,500

Stage	Project name	Project description	Suburb	Project budget
Construct	Veronica Street, Ferntree Gully - New Footpath	Construction of a new footpath on the southern side of Veronica Street, between Underwood Road and 20 Veronica Street.	Ferntree Gully	\$129,800
Scope	Amay Crescent, Ferntree Gully - New Footpath	Construction of a new footpath for the entirety of Amay Crescent.	Ferntree Gully	\$10,000
Design	Gifford Avenue, Ferntree Gully - New Footpath	Construction of a new footpath on Gifford Avenue, between Burwood Highway and Kevin Avenue.	Ferntree Gully	\$15,000
Design	Cambden Park Parade, Ferntree Gully - LATM Treatment	Installation of nine bus friendly speed humps, two speed cushions at school crossings, six half road width bus friendly low profile speed humps and up to three street lights. Six additional full road width bus friendly low profile speed humps will be installed on Sandgate Boulevard and Beckenham Drive.	Ferntree Gully	\$15,000
Scope	Burwood Highway, Ferntree Gully - New Shared Path (Dorset Road to Ferny Creek Trail/Glenfern Road)	Construction of a new shared path on the southern side of Burwood Highway, from Dorset Road to Ferny Creek Trail/Glenfern Road.	Ferntree Gully	\$20,000
Scope	Burwood Highway, Ferntree Gully - New Shared Path (Ferntree Gully Road to Dorset Road)	Construction of a new shared path on the southern side of Burwood Highway, from Ferntree Gully Road to Dorset Road.	Ferntree Gully	\$20,000

Stage	Project name	Project description	Suburb	Project budget
Construct	Forest Road & Hutton Avenue Intersection, Ferntree Gully - Improved Pedestrian Access	Crossing improvements at the intersection of Forest Road and Hutton Avenue to improve safety for residents and school students. Scope of works include a new 1.5m-wide footpath at the slip lane and a smaller island to accommodate a new splitter island at Hutton Avenue, intersecting with Forest Road.	Ferntree Gully	\$61,300
Construct	Quarry Reserve, Ferntree Gully - New Solar Lighting	Installation of new lighting within the reserve to improve community safety.	Ferntree Gully	\$50,000
Design	Wally Tew Reserve, Ferntree Gully - New Public Basketball Facility	Installation of a new public basketball facility. Scoping, design and construction to occur in the same year. Location and scope to be determined following a feasibility and design process.	Ferntree Gully	\$15,000
Design	Kevin Avenue, Ferntree Gully - Flood Mitigation Works	Works to mitigate the impacts of flooding within the vicinity of Kevin Avenue. Two stages of works are required (Stage 1 construction in 2027/28 and Stage 2 construction in 2029/30).	Ferntree Gully	\$6,500

Knoxfield

Stage	Project name	Project description	Suburb	Project budget
Construct	Carrington Park, Knoxfield - Sportsfield Renewal	Renewal of sportsfield, including irrigation, drainage, cricket wicket, and turf establishment. Renewal of stormwater harvesting infrastructure will also occur as part of these works.	Knoxfield	\$2,477,291
Construct	Knox Park, Knoxfield - New Directional Signage	Installation of new wayfinding signage across the large site and various VicRoads signs on Ferntree Gully Road and Scoresby Road. New signs to consider Knox Park Reserve, the CFA Training Facility, Athletics Complex, BMX Track and public open spaces (i.e. playgrounds, pathways, etc.).	Knoxfield	\$80,997
Construct	Carrington Park, Knoxfield - Pavilion Upgrade	Refurbishment and upgrade (extension) of the existing sporting pavilion to meet the State or National Governing Bodies' requirements and Council's Pavilion Strategy. Two changerooms (with flexibility to split into four) to service the one sportsfield. The upgraded pavilion will meet requirements of the Fair Access Policy.	Knoxfield	\$3,091,521

Stage	Project name	Project description	Suburb	Project budget
Construct	Knoxfield Early Years Centre, Knoxfield - Building Refurbishment (Playgroup)	Scope of works to include: • Making the existing storeroom fit-for-purpose. • Adult/Child bathroom reconfiguration to improve changing facilities • Demolition of the existing kitchen, repurposed to a small kitchenette located within the playgroup space.	Knoxfield	\$106,700
Design	Carrington Park, Knoxfield – New Liberty Swing	Installation of a new Liberty Swing and associated infrastructure improvements (i.e. fencing, access path, etc.).	Knoxfield	\$10,000
Design	Carrington Park, Knoxfield – New Shade & Weather Protection Facility (Radio Controlled Car Track)	Installation of a shade and weather protection facility to complement the existing driver's stand/viewing platform.	Knoxfield	\$15,000
Scope	Knox Skate & BMX Park, Knoxfield - Rectification and Upgrade Works	Undertake required rectification and upgrade works, in accordance with the priorities listed in the 2025 Skate Facility Audit. Works seek to renew elements reaching end-of-life and upgrade elements (where required) to meet Australian Standards.	Knoxfield	\$49,500

Stage	Project name	Project description	Suburb	Project budget
Design	Carrington Park, Knoxfield - New Wayfinding Signage	Installation of new external wayfinding signage at Carrington Park to assist users of the reserve locating the various services and facilities available. A total of 20 new signs are required, including a large sign on Ferntree Gully Road that will meet frangibility guidelines from VicRoads.	Knoxfield	\$15,000
Design	Graham Reserve, Knoxfield - Playground Renewal	Renewal of the Graham Reserve playground and decommissioning of the Anne Road Playground (two rockers). Scope of works to include: • Installation of new junior slide unit, swing set, planting, small sand pit with sand desk and landscaping. • Additional planting to increase canopy cover.	Knoxfield	\$5,500

Lysterfield

Stage	Project name	Project description	Suburb	Project budget
Construct	Lakesfield Reserve, Lysterfield - Cricket Net Renewal	Renewal of cricket training facility to meet current Australian Standards and Cricket Australia guidelines. Grant funding is being sought from Cricket Australia for this project.	Lysterfield	\$418,382

Rowville

Stage	Project name	Project description	Suburb	Project budget
Construct	Hakea Place Reconstruction, Rowville	Timbertop Drive to road's end.	Rowville	\$240,000
Construct	Eildon Park (Oval 2), Rowville - Floodlighting Renewal, Rowville	Renewal of sportsfield lighting to meet the 100 LUX requirement for training and matches. Requirements set by Australian Standards and the sports' respective State or National Governing Body.	Rowville	\$332,749
Construct	Rowville Recreation Reserve (Men's Shed), Rowville - Formalisation of Northern Gravel Carpark	Formalisation of existing northern gravel carpark to provide more suitable parking opportunities for sportsfield users and Men's Shed members.	Rowville	\$412,050
Construct	Murrindal Drive, Rowville - LATM Treatment	Installation of 15 bus friendly speed humps and one refuge island at the reserve between 81 Murrindal Drive and 2 Rosebank Court. Associated widening works (to a shared path), one raised school crossing and kerb ramps are also included in the scope of works. Possible relocation of two existing power poles. The project remains subject to Council/community support.	Rowville	\$425,000
Construct	Henderson Road, Rowville - New Refuge Island	Installation a new refuge island on Henderson Road, east of Valleyview Drive. Works will also include the installation of a parking lane to reduce motorists' visual cue.	Rowville	\$51,200

Stage	Project name	Project description	Suburb	Project budget
Design	Stamford Park Homestead, Rowville - New Accessible Parking Space	Construction of a new accessible car park at Stamford Park Homestead, including the installation of four associated bollards (two removable) within the main delivery driveway.	Rowville	\$30,000
Construct	Arcadia Reserve, Rowville - Playspace Expansion	Expansion of the existing playspace, in collaboration with the 1st Rowville Scouts Group.	Rowville	\$75,000
Construct	Rowville Community Centre, Rowville - Energy Retrofits and New Solar	Scope of works includes: • Expansion of solar on Rowville Community Centre with a 100kW of solar added to the existing array. • Removal of gas currently used for space heating and hot water systems.	Rowville	\$250,000
Construct	Peregrine Reserve, Rowville - New Public Toilet	Design and construction of a new two-cubicle public toilet facility adjacent to the Picnic/BBQ area. Associated works (i.e. paths, services, etc.) will also be included within the project scope. Exact location on site will be confirmed during the design and community consultation process.	Rowville	\$459,000
Construct	Stamford Homestead, Rowville - WSUD Swale & Pond Upgrade	Works include: • Upgrade of the existing swale, including distribution of flow. • Enlargement and deepening of the existing pond, and a new outlet.	Rowville	\$211,874

Stage	Project name	Project description	Suburb	Project budget
Design	Peregrine Reserve, Rowville - New Wetland	Construction of a new wetland on the north-east section of the reserve and a swale on the west side. The wetland will have multi-faceted benefits, diverting stormwater from Council's stormwater system and improving its downstream capacity, enhancing Knox's biodiversity of flora and fauna within the site, improving the amenity of the site and increasing the visitation to the site.	Rowville	\$6,500

Scoresby

Stage	Project name	Project description	Suburb	Project budget
Construct	Borg Crescent Reconstruction, Scoresby	Chagall Court to Carol Street.	Scoresby	\$810,000
Design	Janine Street Reconstruction, Scoresby	Ferntree Gully Road to 24 Janine Street.	Scoresby	\$20,000
Design	Keith Campbell Court Reconstruction, Scoresby	Janine Street to roads's end.	Scoresby	\$20,000
Design	Scoresby Recreation Reserve, Scoresby - Cricket Net Renewal	Renewal of cricket training facility to meet current Australian Standards and Cricket Australia guidelines.	Scoresby	\$24,156

The Basin

Stage	Project name	Project description	Suburb	Project budget
Construct	The Basin Triangle Reserve, The Basin - Playground Renewal	Renewal of the tower unit combination unit to address play components condition .	The Basin	\$219,095
Scope	The Basin Early Years Centre, The Basin - Building Refurbishment (Playgroup)	Refurbishment of the existing building. Scope of works to include realignment of the toilet area and addition of a child's toilet, kitchen relocation, restructure the storage area and create a ramp (instead of stairs), and improve access to the playground via a new ramp.	The Basin	\$11,000
Construct	Mountain Highway, The Basin - New Footpath	Construction of a new footpath on the western side of Mountain Highway, from Wicks Road to Claremont Avenue. This project is subject to future Council direction.	The Basin	\$400,000
Construct	Liverpool Road, The Basin - New Shared Path	Construction of shared path on the north-west side of Liverpool Road, from Mountain Highway to The Basin Retarding Basin, continuing north to match into the existing shared path at the municipal boundary with Maroondah.	The Basin	\$903,500
Construct	The Basin Triangle, The Basin - New Accessible Path (Stage to Public Toilets)	Upgrade of the existing crushed rock path to a vehicle accessible shared path to support vehicle access into the site for public and Council events, whilst also providing an accessible path that complies with the Disability Discrimination Act.	The Basin	\$139,150

Stage	Project name	Project description	Suburb	Project budget
Design	The Basin Shopping Strip (Mountain Highway), The Basin - New Accessible Car Parking and Outdoor Dining Area.	Scope of works is proposed to include improved outdoor dining spaces, bike parking and improved accessible parking spaces outside the 1 in 20 Café, near the Mountain Highway/Basin-Olinda Road roundabout. The works will assist in reducing footpath clutter outside the shops and increase the number of rest areas available for cyclists.	The Basin	\$60,000

Upper Ferntree Gully

Stage	Project name	Project description	Suburb	Project budget
Construct	Acacia Road Reconstruction, Upper Ferntree Gully	Burwood Highway to road's end.	Upper Ferntree Gully	\$760,000
Design	Kings Park (Oval 1), Upper Ferntree Gully - Sportsfield Renewal	Renewal of sportsfield, including irrigation, drainage, cricket wicket, turf establishment, goal posts and fencing.	Upper Ferntree Gully	\$18,118
Design	Talaskia Reserve, Upper Ferntree Gully - Formalisation of Eastern Gravel Carpark	Formalisation of existing eastern gravel carpark to provide more suitable parking opportunities for sportsfield users.	Upper Ferntree Gully	\$35,000
Construct	Kings Park, Upper Ferntree Gully - Playground Artwork	Creation of site-specific artwork for the new Kings Park Playspace.	Upper Ferntree Gully	\$54,450
Scope	Coonara Community House, Upper Ferntree Gully - Kitchen Refurbishment	Kitchen refurbishment to improve functionality of the space. This will enable the facility to support food relief via community lunches. It will also allow for community training programs to be offered, including food handling courses and food security workshops.	Upper Ferntree Gully	\$11,000

Stage	Project name	Project description	Suburb	Project budget
Scope	Alfred Street, Upper Ferntree Gully - New Footpath	Construction of a new footpath on the eastern and either southern or northern side of Alfred Street, between Dawson Street and Rollings Road. Works will include reconstruction of up to 11 crossovers and kerb ramp connections to William Street and Rollings Road. Removal of street trees will be determined after consultation with immediately affected residents and Council's arborists.	Upper Ferntree Gully	\$10,000
Scope	William Street, Upper Ferntree Gully - New Footpath	Construction of a new footpath on the eastern and southern side of William Street, between Alfred Street and Rollings Road. Works will include reconstruction of up to 11 crossovers and kerb ramp connections to Alfred Street and Rollings Road. Removal of street trees will be determined after consultation with immediately affected residents and Council's arborists. An additional link between Rose Street and behind 1238 Burwood Highway will be included in the scope of works.	Upper Ferntree Gully	\$10,000
Construct	Ferny Creek Trail, Upper Ferntree Gully - New Shared Path	Construction of a new shared path on the eastern side of Acacia Road, between Ferny Creek Trail and the Kings Park driveway. This project will be delivered in conjunction with the Acacia Road reconstruction in 2026/27.	Upper Ferntree Gully	\$147,200

Stage	Project name	Project description	Suburb	Project budget
Construct	Kings Park, Upper Ferntree Gully - Shared Path Extension	Construction of a connecting shared path between existing the shared path and the new playspace.	Upper Ferntree Gully	\$25,000
Scope	Dawson Street, Upper Ferntree Gully - Cyclist/Pedestrian Priority Crossing	Scope of works includes removal of the existing pedestrian refuge island and installation of a yellow painted raised crossing, as per Australian Standards (AS 1742.10). A kerb extension on both sides may be used to provide a shorter crossing and to improve visibility. A lighting assessment is also required to ensure the lumen meets Australian Standards.	Upper Ferntree Gully	\$10,000
Construct	Kings Park, Upper Ferntree Gully - New Playground	Construction of a new intergenerational playground, in accordance with the endorsed Kings Park Masterplan. Scope to include: • New 'Refunzel' tower • New adventure ropes course • New embankment slide • New swings • New furniture	Upper Ferntree Gully	\$400,000
Construct	Kings Park, Upper Ferntree Gully - New WSUD Floodway	Integration of a floodway with WSUD features into the new playspace project. Works seek the conveying of flood waters into the adjacent Melbourne Water floodway.	Upper Ferntree Gully	\$145,598

Wantirna

Stage	Project name	Project description	Suburb	Project budget
Design	Lewis Road Reconstruction, Wantirna (Eastgate Court to Bridgewood Court)	Eastgate Court to Bridgewood Court.	Wantirna	\$50,000
Construct	Riddell Reserve, Wantirna - Playground Renewal	Renewal of the existig playground and surrounding areas to accommodate more users. Scope of works includes: • Installation of new play equipment, including canopy tree planting. • Renew playground equipment to cater for pre-kinder and primary school aged children. • New seating area for parents to view and socialise. • Shared path renewal	Wantirna	\$232,809
Construct	Attenborough Park, Wantirna - Playground Renewal	Decommission the existing playground and reallocate the Park for an alternative use. The project will require consultation, decommissioning and conversion of the Park into new use.	Wantirna	\$42,966
Construct	Whitehaven Reserve, Wantirna - Playground Renewal	Replacement of the slide tower with a bettong unit.	Wantirna	\$16,940
Construct	Cobain Reserve, Wantirna - Playground Renewal	Replacement of the existing combination unit with a smaller combination unit.	Wantirna	\$32,670

Stage	Project name	Project description	Suburb	Project budget
Design	Templeton Reserve, Wantirna - Pavilion Upgrade	Refurbishment and upgrade (extension) of the existing sporting pavilion to meet the State or National Governing Bodies' requirements and Council's Pavilion Strategy. Two changerooms (with flexibility to split into four) to service the one sportsfield. The upgraded pavilion will meet requirements of the Fair Access Policy.	Wantirna	\$176,000
Design	Wantirna Reserve (Tennis Club), Wantirna - Formalisation of South-Western Gravel Carpark	Formalisation of existing south-western gravel carpark to provide more suitable parking opportunities for tennis court users.	Wantirna	\$35,000
Design	601 Boronia Road, Wantirna - New Footpath	Construction of a new footpath on the northern side of the road to replace the existing granitic path, which is in a poor condition (pooling water and a slip hazard). Works will also include a new pram crossing at 23 Thaxted Parade, to align with the direction of travel.	Wantirna	\$15,000

Stage	Project name	Project description	Suburb	Project budget
Design	Mountain Highway, Wantirna - New Shared Path (117 to Petalnina Drive)	Construction of a new shared path on the northern side of Mountain Highway, between 117 Mountain Highway and Petalnina Drive. Also included within the project scope are: • A new shared path between the proposed path and Koomba Road, with a kerb ramp and removable bollard/s. • Sharrows and associated pavement markings along Koomba Road, connecting to Eastlink Trail. • Possible boardwalk treatment along the biologically significant vegetation.	Wantirna	\$40,000
Construct	David Cooper Park, Wantirna South - New Reserve Lighting	Installation of new lighting within the reserve to improve community safety.	Wantirna	\$125,000

Stage	Project name	Project description	Suburb	Project budget
Design	August Auer Reserve, Wantirna - Landscape Plan Development	The landscape plan will outline the future direction of the reserve's development, focusing on improving its visibility, accessibility, connectivity and safety through landscape enhancements such as playground upgrades, path connections, new lighting, vegetation, and new park furniture. It also revisit the car parking arrangement and aims to improve the functionality of the site in relation to its surrounds and highlights its key role as an active reserve as well as a buffer between more commercial and residential land uses.	Wantirna	\$45,000

Wantirna South

Stage	Project name	Project description	Suburb	Project budget
Construct	Lewis Road Reconstruction, Wantirna South (Burwood Highway to Eastgate Court)	Burwood Highway to Eastgate Court.	Wantirna South	\$650,000
Construct	Cathies Lane Reconstruction, Wantirna South	Tandragee Close to High Street Road.	Wantirna South	\$580,000
Construct	Knox Gardens Reserve, Wantirna South - Tennis Court Renewal (Courts 4 & 5)	Renewal of courts 4 and 5. Works include court surface, fencing, nets and lights. Renewal of lighting on courts 1 to 3 will also occur in response to the 2025 sports lighting audit. A provisional item will be explored to install new lighting on courts 6 and 7 if external funding (i.e. grants, club contributions, etc.) was to be secured.	Wantirna South	\$990,000
Construct	Walker Reserve, Wantirna South - Floodlighting Renewal	Renewal of sportsfield lighting to meet the 100 LUX requirement for training and matches. Requirements set by Australian Standards and the sports' respective State or National Governing Body. Additional cost is due to a power supply upgrade on site being required.	Wantirna South	\$350,000
Construct	Somes Reserve, Wantirna South - Playground Renewal	Replacement of the medium combination unit with a dibbler combination unit.	Wantirna South	\$34,485

Stage	Project name	Project description	Suburb	Project budget
Design	Lewis Park, Wantirna South - Pavilion Upgrade	Development of a new sporting pavilion to meet the State or National Governing Bodies' requirements and Council's Pavilion Strategy. The pavilion will be consistent with the Lewis Park Masterplan and associated infrastructure (i.e. car park). Four changerooms to service the two sportsfields. The new pavilion will meet requirements of the Fair Access Policy.	Wantirna South	\$457,200
Design	Lewis Road, Wantirna South - New Footpath	Construction of a new footpath on Lewis Road, between 77 and 79 Lewis Road.	Wantirna South	\$15,000
Design	Wallace Road, Wantirna South - LATM Treatment	Installation of six bus friendly speed humps.	Wantirna South	\$15,000
Scope	Burwood Highway, Wantirna South - New Shared Path	Construction of a new shared path from existing asset SP158 (Blind Creek Trail) to Lynne Avenue.	Wantirna South	\$20,000
Construct	Meridian Parade, Wantirna South - New Lighting Conditions	Installation of three intersection street lights - two at Kings Court and one at Jenola Parade.	Wantirna South	\$80,000
Design	Lewis Park, Wantirna South - New Playspace and Public Toilet	Construction of a new nature playspace and public toilet facilities, in accordance with the endorsed Lewis Park Masterplan.	Wantirna South	\$80,000

Stage	Project name	Project description	Suburb	Project budget
Scope	Walker Reserve, Wantirna South - Landscape Plan for the Redevelopment of Redundant Tennis Courts	Initial years will focus on scoping, feasibility and community consultation, which will ultimately inform future renewal and upgrade works at Walker Reserve, with a particular focus on re-purposing of the redundant tennis courts in the north-eastern corner of the site.	Wantirna South	\$56,100
Design	Llewellyn Reserve, Wantirna South - Flood Mitigation Works	Works include: • Formalising, extending and raising the existing maintenance track, linking to the proposed new Mountain Bike Training Facility. • Reinstatement of the existing swale profile and capacity. • Revegetation of all disturbed grounds and removal of unapproved dirt jumps on site. • Redirection of overland flows westwards towards Blind Creek.	Wantirna South	\$6,500

Stage	Project name	Project description	Suburb	Project budget
Scope	Lewis Park, Wantirna South - Stormwater Harvesting Scheme Investigation	Components of this project include: • Investigation into the annual stormwater yield and reliability of the existing harvesting pond. • Exploration of the viability of providing harvested stormwater to the Knox Central region. • Liaison with South East Water regarding a potential partnership in rolling out "purple pipe" to the Knox Central region. • Feasibility assessment of an amended and renewed stormwater harvesting scheme that services the two adjacent sporting ovals. • Upon completion of the investigation and feasibility components there will be a functional design of the harvesting system.	Wantirna South	\$21,500
