

Council Meeting

14 September 2026

Notice of Motion No. 197

Wellington Rd – Advocacy for Road Safety Improvements

I hereby give notice that it is my intention to move the following motion at the Council Meeting on 14 September 2026:

That Council resolve to:

1. Write to the Department of Transport and Planning (DTP) requesting:
 - a. an update on the safety improvements along Wellington Road previously advocated for in April 2025; and
 - b. that DTP give further consideration to the installation of advanced warning signs and lights at the intersection of Wellington Road and Braeburn Parade, recognising the significant community support for these road safety improvements..
2. Write to the Department of Justice and Community Safety (DJCS) requesting that it review the suitability of installing a fixed road safety camera at the intersection of Wellington Road and Braeburn Parade, having regard to the level of community support expressed for this measure.
3. Write to The Hon. Kim Wells MP, Member for Rowville, and The Hon. Paul Hamer MP, Minister for Roads and Road Safety, providing copies of the above correspondence and seeking their support in advocating for:
 - a. the delivery of the requested safety improvements along Wellington Road; and
 - b. the installation of a fixed road safety camera at the intersection of Wellington Road and Braeburn Parade.
