# Notice of Motion No. 103

## IBAC Investigation

I hereby give notice that it is my intention to move at the Ordinary Meeting of Council on 28 January 2020 the following motion.

That Knox Council formally requests the Independent Broad-based Anti-corruption Commission (IBAC), to investigate each current City of Knox Councillor for the following:

- Any financial transactions or dealings with any property developer with business interests within the Knox Municipality boundaries, that maybe in conflict with provisions of the Local Government Act 1989.
- Involvement of undisclosed extraction of financial contributions from property developers for the purpose of facilitating political party donations that create a conflict of interest under the Local Government Act 1989.

Cr Darren Pearce
