- 400metres from Activity Centre

### Stage 2 Implementation for Residential Area

## Ferntree Gully Parking Management Plan

### Proposed Timeline

The following timeline collates the actions identified as part of the investigation and consultation process for the development of the Ferntree Gully Parking Management Plan and indicates the approximate time frames for the projects

Action involving changes to parking restrictions on public roads can be managed by Council and completed within a 3 month period while actions involving advocacy are generally outside Council's jurisdiction.
