## Naturestrip Design

On the typical plan below, please mark up where you propose to plant and with what species:  
Make sure to include any road names, driveways and services.

Please fill out the list below with the plant species and numbers:

PLANT SPECIES	NUMBER TO BE PLANTED

--	--

Once complete, please return to the Open Space team for review and approval.  
Please do not commence works on the naturestrip until the plan and plant species are approved.
